

Club Declaration Form

It is a requirement of entry into this competition that every member of the Team (coach and gymnast) have **paid** their membership of British Gymnastics with the appropriate level of membership for both the level of competition and the skills being performed by their gymnasts.

It is necessary that coaches must hold a valid enhanced CRB from British Gymnastics.

Furthermore it is essential that coaches who are in control of the gymnasts in their team are qualified to the appropriate skill level of their gymnasts.

The onus is on the coach to ensure that gymnasts in their control meet all of the necessary BGA membership requirements outlined above.

From time to time, London Gymnastics and other third party agencies will check that these rules have been adhered to. Anyone found not to have complied with the membership and qualification rules mentioned above will be asked to leave the competition floor and the matter will be referred to the London Gymnastics Complaints Officer for further investigation.

This form must be fully completed and sent with the entry form before the club's entry to the competition can be confirmed.
