Returning again to

REGISTRATION REQUEST FORMS

Once again this year we are asking teams to register their interest in the 2010 London Festival so that the official forms to request registration packs can be sent out at Christmas and should be returned with £10.00 to cover administration, printing and the postage of the registration packs.

All official **Registration Request Forms** must be received by **Monday 29 March** and will be sent a Registration Pack at the beginning of May.

The '**first come first to be allocated a space**' will be determined by the return of the registration pack, completed and with the required cheque for the correct amount. Packs received with incomplete information and/or without a cheque will be returned to the club for completion. This would delay your registration for a place at the festival.

Registration packs that are received after the closing date and/or when all the performance spaces have been allocated will be kept on file. These clubs will be notified and offered the opportunity of being put onto a waiting list so that in the event that a club has to withdraw from the festival they would be contacted and offered a place.
